In Loving Memory of Brother Robert Francis Beaulac

Brother Robert Francis Beaulac A.A. began his life in Fitchburg, MA in 1936. He was inspired to enroll at St. Michael's novitiate to become a brother by his brother, an Assumptionist. Following the novitiate, he was stationed at Assumption College Preparatory School. October 12, 1961 marked the day Brother Robert, a.k.a. "Bro", joined the Assumption College community, where he spent 40 years of his life serving the students of Assumption College. Throughout his career at Assumption, Brother Robert was a resident director, head of the campus post office, and most notably director of the campus infirmary, later known as health services. Brother Robert's most memorable contribution to the college was his congeniality. He was friendly toward everyone, always had a smile to offer, and spent his free time around campus (especially lunch at the Taylor Dining Hall) getting to know as many students as possible. Sadly, after a brief illness at UMass Memorial, Brother Robert passed away on Friday, November 17, 2000. People like Brother Robert, who are genuinely interested in others and dedicate their lives to service, are truly rare and will eternally remain in the memory of the students, faculty, and staff at Assumption College.

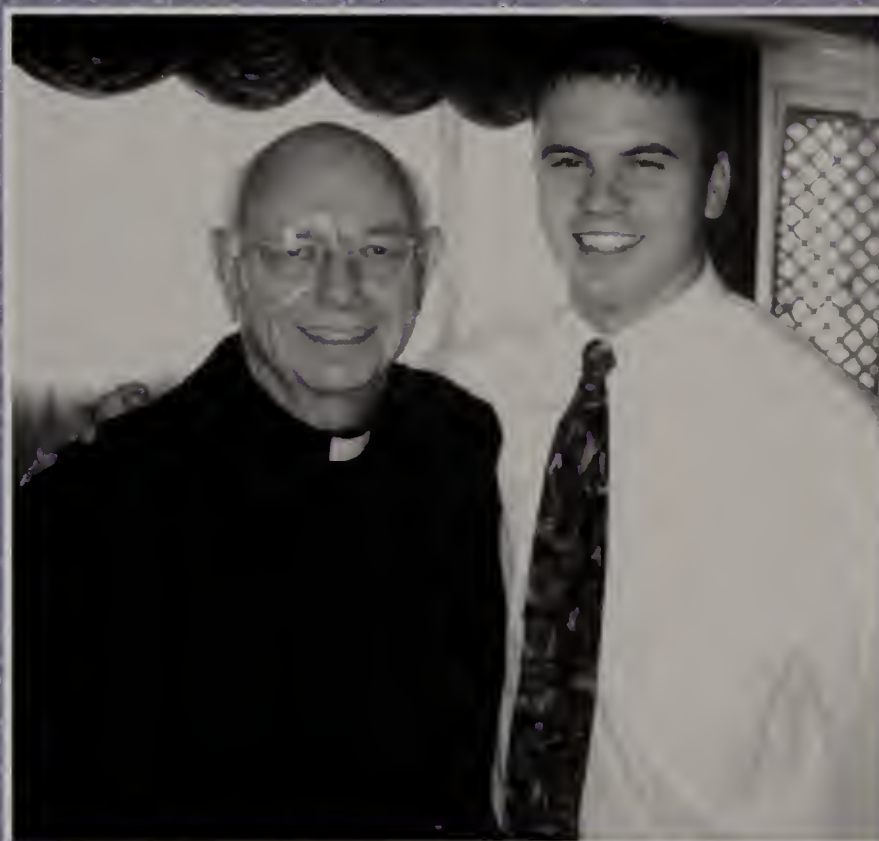

"Assumption College has lost an individual who personified compassionate outreach to our students. Bro touched the lives of countless students, especially those most in need of a smile, friendly chat, a gentle nudge and the nonthreatening and total attention of a caring professional educator."

*Dr. Thomas Plough
President of Assumption College*

"The first prayer that I had a chance to voice after Bro died was: 'Thank you, God, for teaching me so much through Bro.' He never taught a course, never got a college degree, but Bro was a teacher for so many of us. His were lessons in goodness, in steady, attentive caring for others. We have lost a friend, a gentle companion, and a brother. Let's find ways to keep his spirit alive around here."

*-Fr. Dennis Gallagher
Vice President for Mission*

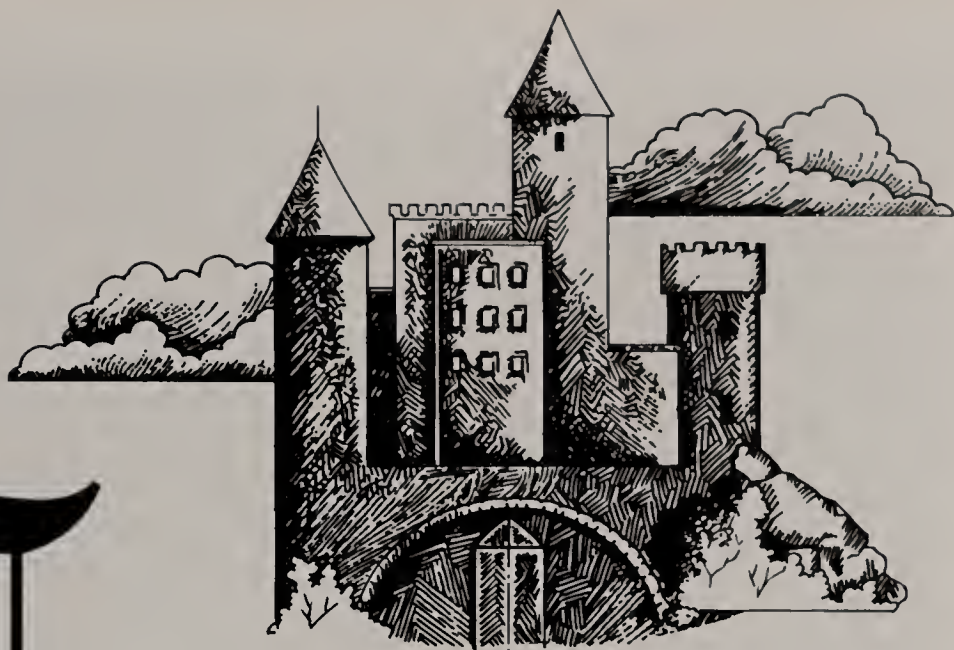

"Bro was a wonderful man who reached out to students in many different ways. Bro was everywhere on campus...in the dining hall - eating with students; in the infirmary - caring for students who were sick; and at Mass every week - leading the procession into the Chapel with a smile on his face. He was so sweet, always greeting students with a handshake and a warm hello. The death of Brother Robert is a tremendous loss to the Assumption College community and he will be missed by many."

Clubs and Activities

Academic Support Center (ASC)

The ASC consists of over 40 students nationally certified as peer tutors in their respective disciplines. Members of the ASC assist students with questions they have concerning assignments and attempt to help Assumption students become independent learners. The tutors also attend plays, Red Sox games, and hold annual events to build community among tutors of different disciplines.

A.P.I.C.S.

This club provides students interested in a career in Management contact with companies, their representative and guest speakers to expose students to the working society. Members of APICS also have the opportunity to compete with other students interested in Managements in the Worcester area.

Assumption College Upstage

AC Upstage provides students with a stage to host their theatre-related ambitions, whether it be through directing, producing, designing, straight-up acting, or in a musical production. Following auditions, AC upstage normally rehearses diligently to attempt perfection of at least one show each semester.

Campus Activities Board

CAB members organize entertainment events on campus such as comedians, movies and concerts for Assumption students. CAB is divided into committees run by students consisting of students that book, organize, prepare and advertise for events to keep us busy throughout the school year.

Cheerleaders

These students cheer both in the fall, during the football season, and in the winter for the basketball season. This club allows students interested in cheerleading to compete against other schools regularly at games and especially in NCAA tournaments.

AC Chorale

The Chorale is Assumption's concert choir. It provides students with the opportunity to perform at formal ceremonies, community concerts, and for campus events. These students tour every year or two in Europe to compete or experience different cultures through musical performance.

French Club

The French club keeps the French traditions of Assumption alive by providing students with opportunities to experience French culture on and off campus. Members of the French Club, regardless of their proficiency in the French language, attend plays, concerts, exhibits, dinners with french cuisine, watch movies, and listen to music...all in French!

Heights Yearbook Staff

The small but dedicated yearbook staff worked hard to create lasting memories of the 2000-2001 school year by capturing the special events and simple moments throughout the year. They played many roles including photographers, writers, and artists to attempt an accurate representation of the past year.

Le Provocateur Staff

The "Provoc" provides students interested in news or journalism with the challenge of meeting deadlines and finding real news. The staff publishes a new issue of the Provoc every two weeks, which provides Assumption students information regarding life on campus as well as a student perspective on off campus issues.

Omicron Delta Kappa: Leadership Honor Society (ODK)

This honor society consists of some of the most active, intelligent members of the Assumption community. These students collaborated to bring the AIDS quilt on campus, to help with trick-or-treating on Halloween, the toys for tots giving tree at Christmas time, and events during siblings weekend.

2000 Orientation Leaders

This group of students is chosen to initiate and make a first impression on incoming freshmen. Their tasks include creating a positive atmosphere and an inviting community for first year students during their first experience at Assumption College.

The Phoenix: Literary Magazine

The staff of the Phoenix provides students with an opportunity to display their literary and artistic talents to the faculty, staff and fellow students at Assumption. The Phoenix has a regular section in the Provoc for student work, as well as, an annual compilation of works at the end of the year in the Phoenix magazine.

Reach Out Center

The Reach Out Center coordinates most of the volunteer services on campus. It provides students with regular or one shot volunteer experiences with local organizations in Worcester, like soup kitchens, after-school programs and nursing homes. The Reach Out Center allows students to take a proactive approach to social change.

Students Encountering And Responding to Christ (SEARCH)

SEARCH is a branch of Campus Ministry that organizes off-campus retreats. It allows Assumption students to reach out to high school and middle school students in the Diocese of Worcester by sharing their thoughts on life and religion.

Social Rehabilitation Service Club

This club provides students interested in Social Rehabilitation an opportunity to reach out to the community in correlation with the social rehabilitation major. It allows students to do research while studying an array of rehabilitation services provided in Worcester.

Spring Break Immersion: Baltimore, MD

Students who spent their spring break in Baltimore displayed their faith participating in a Habitat for Humanity project. This group contributed their time and labor to benefit members of the Baltimore community who cannot afford housing.

Spring Break Immersion: Lansdale, PA

Participants in the immersion project to Lansdale acted on their faith by working with the elderly in adult day care facilities, soup kitchens and local nursing homes. These students spent time reflecting and learning about each other and the various roles people play in the community.

Spring Break Immersion: Philadelphia

Students that chose to go to Philadelphia for their spring break spent a week examining their faith through activities at various facilities in the Philadelphia area. They spent time at groups and communities in Philly to comprehend the hope and need present in some of the struggling areas of the city. They observed how contributing a little time and care positively affects the community.

Spring Break Immersion: Washington, DC

Students attending the Washington DC immersion project put their faith in action by working with students and teachers at schools in the area. In their spare time, they enjoyed the sights in our nation's capital.

Students Talking About Religious Topics (START)

The members of the START retreat team planned and facilitated retreats for Assumption students. Group discussions and activities provided students with an opportunity to reflect and discover more about themselves, other students and their relationship with God.

START Discussion Group

The START discussion group consists of students that meet weekly to evaluate how religion influences their everyday life. They hold dinner conversations over ethical issues and controversial situations to consider perspectives other than their own in current events and past occurrences.

Student Government Association (SGA)

The Student Government Association consists of ten senators and five executives from each class. These students meet weekly to discuss proposals and put student concerns into actions. Elections are held in the spring for all classes except freshmen.

Assumption College Television (WACTV)

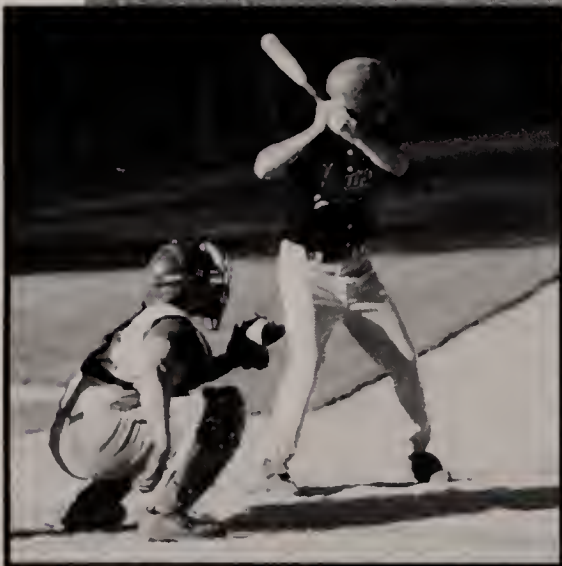

WACTV provides students interested in broadcasting and communications with an opportunity to gain hands on experience with news and the media. The show is mainly student-run and organized through the DiPasquale Media Center on campus.

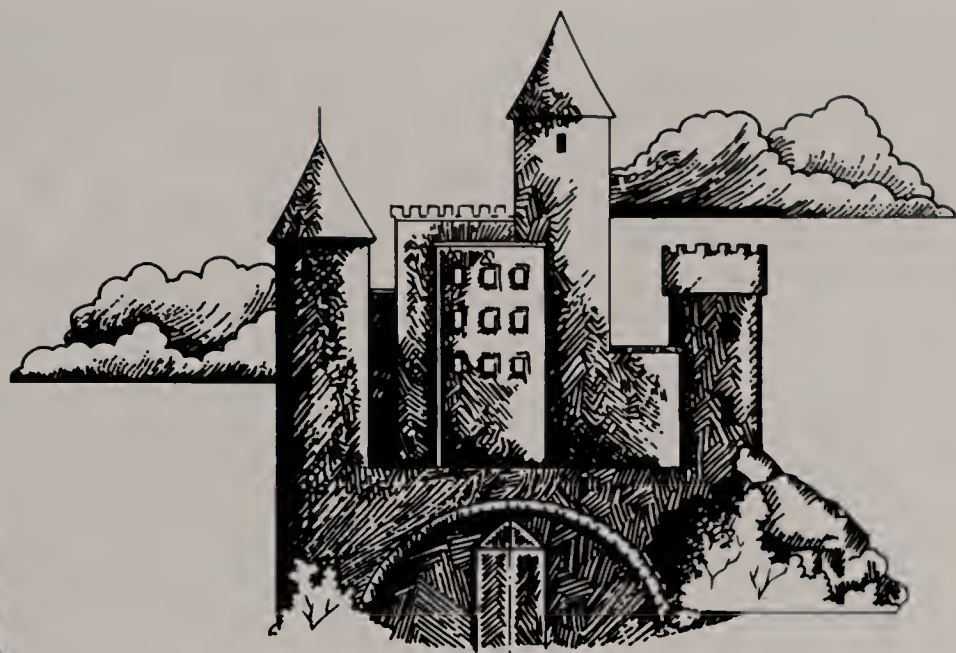

World Cultures Alliance

This is an organization open to everyone, regardless of race, color, or creed with the intention of uniting people from various cultures. Students attend events and take trips to recognize and celebrate the similarities and differences of our cultures. Their goal is to create an environment receptive to students of multi-cultural descent.

Remember the roommates, the fears, the tears, the nerves,
setting up the room, taking it apart, and then rearranging it all
over again...

Remember attempting to keep in touch with high school friends, and
succeeding until you realized what a phone bill really meant...

Remember those bonding nights when you never felt closer to a certain
person, and how that closeness created ties that never die...

Remember how you never realized the importance of family until you didn't
see them everyday...

Remember the craziness of the dorm, getting sudden bursts of energy and
looking for people, even total strangers, to harass...

Remember how those strangers soon became familiar faces...

Remember hangovers and promising yourself you would never drink that
much again...

Remember how quickly that promise was broken...

Remember how much your life has changed in just these past four years...

Remember never to lose touch with the friends you've made here in college,
you have all grown and changed enormously together...

Remember all the good times, let the laughter echo in your mind...

And always remember, when you left Assumption College, you left with
much more than you came with.

COMMENCEMENT

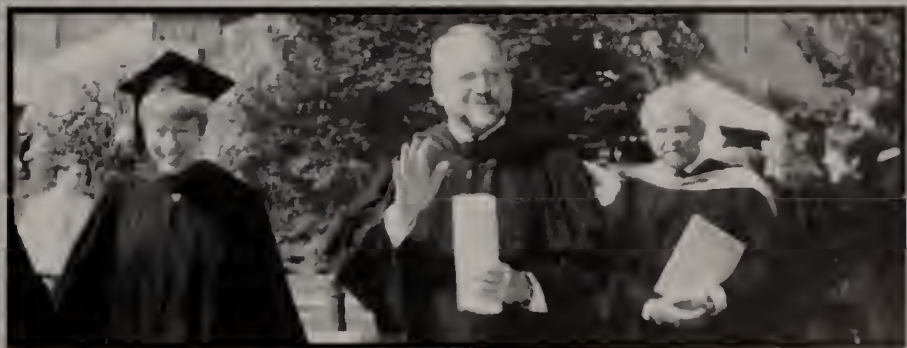

May 19, 2001

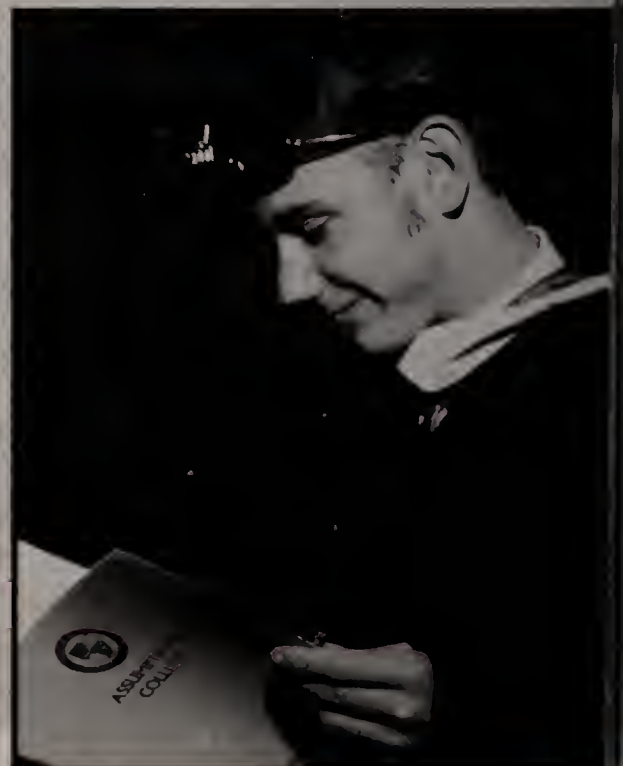

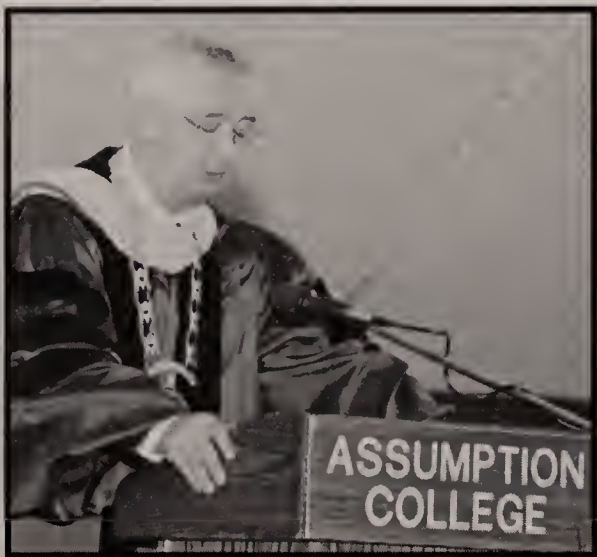

Dreams can come true - they can happen to you - if you are young at heart...

REMEMBER WHEN???

1997 - 2001

- you could actually find a parking spot
- you were stuffed into Salisbury with 3 other strangers who eventually became your friends
- we didn't know each other at Freshmen Orientation and now we have bonded
- we thought the Junction was the coolest place until Charlie's came along? Then we were all broke
- we were sober enough to remember anything!
- 6 men was preferred housing
- Res Life let you host a party
- the Las Vegas lights on the LLC
- you could get food at the Junction
- we drank for 15 days straight ... No? Me neither!
- going out on Thursday nights meant tape over your license and a trip to Suney's
- we used to have Jello-shot parties in Worcester Hall
- we were nervous freshmen
- they salted excessively in the "No Salt Area"
- we had speed dips instead of speed bumps
- North and South were dirt parking lots
- there wasn't a guard at the front gate -- ever
- it was cool to wear a key chain around your neck
- you could go to Suney's and use the same ID for 8 people
- we had the best time doing absolutely nothing with your roommates
- I had a girlfriend
- you could sleep in and not have to listen to those horrible construction men

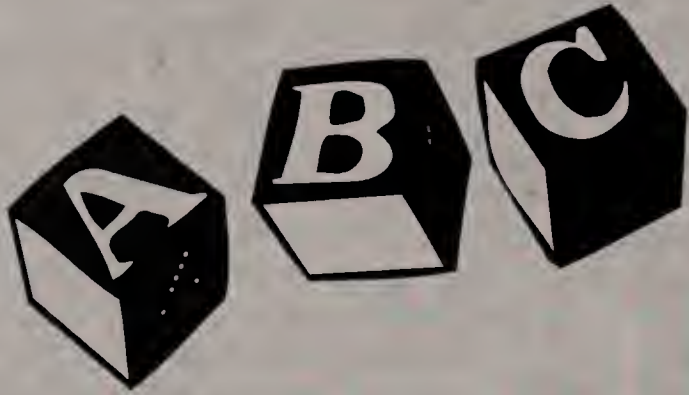

• Assumption did not have a meter maid and a parking enforcement EZ-Go • Suney's was cool • we had late night pizza from Golden's • we used to stand on the furniture to sing and dance • we destroyed the bathroom on Alumni 2nd floor • we had orientation & the ropes course • all three of my roommates were seeing shrinks • we could drive the full 'loop' in both directions • we ate at Taylor two times a day • there was no LLC • the football team couldn't win • nobody in our class had a kitchen • the track wasn't a parking lot • the dirt paths turned into ice skating rinks • you couldn't wait to go home for vacations • Campus Ministry was in that little house • we had to pass the dumpster to leave Hagan • you left within 24 hours of your last final • Health Services was under Taylor • everyone slipped on the seal in front of the library • President Plough was inaugurated • we enjoyed a truly carefree life-style at Assumption for the first time during Senior Week and then we graduated and said goodbye...

Mary-Jo,
From your first diploma in Nursery school to your Bachelor's now, no parent could be prouder
than I am. It would be totally unfair for me to take any credit for your success. Your
accomplishments are truly the result of your
determination to achieve goals you have set for
yourself. As a result, you have become a
beautiful young woman that I am privileged to
call my daughter. To all who know you, you
are a loving, caring, and true friend. I know
you will continue to set and achieve goals
throughout your life. Take this moment,
however, to realize that you are able to achieve
success. Build upon this success. It is your
foundation as you embark upon your adult
life. Continue to broaden your horizons.
Never stop reaching for the stars. You belong
there. You are my star.

Message for my son:

"My son, do not forget my teaching, but let your heart keep my commandments; for length of days and years of life an abundant welfare will they give you."

"And by your descendants shall all the nations of the earth bless themselves."

Stanley W. "Stosh" Konesky III

You're finishing a chapter in your life's story. Realize how time flies. It seems like yesterday - you in nursery school. Where did the past four years go? Mom told you to make the most out of it, be the best you can be and YOU HAVE.

Remember kneeling with dad in prayer, "God make Stosh always laugh and sing, smile, and dance." Laugh - Mom running along the sidelines on your first touchdown, Sing - Dad's wheelbarrel rides singing Christmas carols, Smile - thoughts of you and Dance - your ND graduation party at the IA.

Those memories are incomplete without the person you call your best friend, your brother - Drew. Be strong together through your lives in your "Field of Dreams."

It's not enough to say we're proud of you. It's been the best times of our lives watching Stoshie grow.

Love Mom-Dad-Drew

Brenda M. LaPlante

May you know that your family will always be there for you and wish you much success and happiness in your future.

Love, Mom and Dad.

*All too quickly,
you were out of my arms
that held you so close,
and you were standing by my
side holding on to my hand.*

*All too quickly,
you let go of my hand
and placed your arms around
my shoulders, hugging me as
the time went by.*

*All too quickly,
you were standing tall and
strong on your own,
independent and self-assured,*

*letting me see the person you
had become and knowing that I
couldn't have been more proud.*

*All too quickly, those
days are gone, but the
memories of those times are as
clear in my mind as ever.
And because you are my child,
you will always be welcomed
into my arms, for you will
never be too old or too big
to be held close to my heart.*

*You have grown up to become
everything a parent could
dream.*

September 1983 - your first day of school, remember how excited you were? It was so hard to watch you get onto the school bus alone. But each year that went by your enthusiasm for learning grew and you became an excellent student.

Fast forward to August 1997. It was much harder to say good-bye this time in the hallway of Des. But time has raced by and now it's time to embark onto the life you have worked so hard for. You have shown yourself to possess the will to succeed even when overwhelmed by the college experience. You have not only excelled in your studies, but you have also given of yourself through volunteer work on campus. We are proud of the work you do, but even more so of the wonderful person that you have become. Always remember, believe in yourself as we believe in you.

Holly White

Dear Holly,

Where has the time gone? Your first day of kindergarten, you were so little you couldn't reach the bottom step of the bus. I picked you up, set you in the bus, smiled, waved, then went into the house and cried.

Now you're a beautiful young woman graduating from college. You have shown such discipline along life's journey with all its rough roads and yet you preserved.

Through all of your pain and suffering you've managed to keep a smile on your face and continue your education.

Being born on Christmas Day must be the reason you have such an inner-strength and beauty.

You are an amazing person and a joy to spend time with.

We are extremely proud of you and wish you much success.
We love you so much,

They are the sons and daughters of Life's longing for itself.
They come through you but not from you,
And though they are with you yet they belong not to you,

Thank You

Joe,

You are one of the few who understand how much work it takes to put this book together. Thank you for all your help, support, and guidance this year in creating this book. Also, thank you for all your hard work which made the past four years at Assumption College truly memorable for the Class of 2001.

Carmella,

We are very grateful for your technical assistance, especially the hours of proofing and the day before deadline help.

**This project could not have been completed without you!
Many thanks from the 2001
Heights Yearbook Staff!**

*To all the people
who have helped make
the last four years
something to remember*

First of all, thanks to **Christine, Jess, Kelly, Sabrina, and Brenda**: We did it guys! We put together an awesome yearbook! Christine, all your long hours have finally paid off! Congratulations, guys on a job well done! We did great!

Carmella: Thanks for two years of answering those frantic phone calls the day before deadline. You have definitely helped me out of a computer scrape or two. I won't forget those fun chats by the mailboxes! We had a lot of laughs. Thanks for the memories...You're the best.

To "80", Alicia, Chrissy, and Joe: Thanks for giving me my best year at A.C. ever. You always made me feel welcome and a part of the gang. Don't ever lose your ability to "go with the flow" and have a great time. You guys are great! I love you guys.

Kelly: Thanks for forcing me to get out of bed and getting me to the gym-it was fun! It is amazing to see how much we have changed since high school. Keep strong! Next year, it is your turn!

Sarah: You are the greatest. Who else would share the same love for fun and laughter over anything and everything like you do? Thank goodness for all our "Wednesday Night" girls night out and shopping sprees! Who could forget our many adventures wandering the streets of England with the crew on Spring Break or our late night talks? Your smiles have always cheered me and are something that I will always treasure about AC. You are a true friend. Thanks for being the "bestest!"

To Shane: Your friendship and understanding has meant more to me than I could ever tell you. You always knew when I needed a "pick me up!" Thank you for sticking by me in some of the best times and helping me survive the rough bumps of these past few years. Having you there to help me enjoy each moment has made them even more wonderful!
I love you!

Leanna: Even though you aggravate me to pieces, I am extremely proud for how far you have come and what you have accomplished. You are one-of-a-kind. I love you with all my heart and am so proud to call you my sister (even if sometimes you drive me nuts!) Nobody could ask for a better sister or a better friend.

Last, but certainly, not least, **Mom and Dad**: Where do I start? You two have given me the chance to partake in a once-in-a-lifetime adventure, and it is one I will never forget. You have always let me know you have supported me in whatever I wanted to do; you gave me this opportunity to experience new people and places and also get a great education. You have always been there for me, cheering me on. Thank you for helping me get through all the catastrophes and being there to help me celebrate the wonderful times. I love you and can never thank you enough for your support. I love you guys so much!

I can't thank all of you enough for the support you have given me through these four years. I couldn't have made it without you. Thanks for being there when I needed it the most...Thanks for the laughs, thanks for the tears, and thanks for the memories! I will treasure them always!
Love, Cheryl Palmer-Assistant Editor

First, I would like to thank my family for their support and love. I am extremely grateful for everything you have done for me. Thank you so much. I love you.

To my friends at Assumption: What can I say? It's been so much fun. I will never forget any of you. Thanks for all the laughs, talks, and memories. Keep in touch, I love you all.

To the Holy Name gang: Four years apart and we are all still together. I couldn't be happier. You are all the best!

Nicholas: Thanks for always being there for me. I will never be able to tell you just how much you mean to me. These past two years have been the best and I look forward to many more once you accept the fact that we are going out. (I am SO FUNNY!)

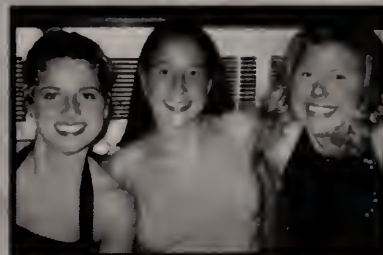

Professor Sullivan: Again, thank you for all of your support and guidance.

To the Yearbook Staff: I am sure that this book will be the best Assumption has ever seen. Christine, you should be very proud!

To the Class of 2001: We made it! Congratulations and good luck in all that you do.

Assistant Editor

Dear Friends of Mine,

To my friends at Assumption College,
I would just like to say,
I will always remember you all in such a good way.
Our days are now numbered, I wish we could stay,
But no that is not possible, we must leave on the
19th of May.

Although, we will still keep in touch as you know,
There will be miles between us
and I can't drive in the snow.
Yes, I know if we want to chat
or we are feeling kind of low,
We can pick up the phone and let the news flow.

Can you really believe our College years
are now our past,
For some reason ,
I was thinking that they would always last.
Such great times we had together,
I really had a blast,
Now we are leaving,
to begin our careers with a new cast.

Yes, I will remember you all when school is done,
You guys at Assumption are definitely number one.
Our times at Assumption were second to none,
Remember me always, and all of the fun.

Love Always,
Jessica Kennedy - Photographer

*"People come into our lives and walk
with us a mile,
And then because of circumstances,
They only stay awhile
They serve a need within their days
That pass so quickly by
And when they're gone without a trace
We often wonder why
God only knows why we meet
And share a smile
Why people come into our lives
And walk with us a mile."*

*To everyone I've known at Assumption who has
pushed me past my limits, had confidence in me, let
me cry on your shoulder, cried on my shoulder,
made me laugh, or laughed at me--Thanks!*

*To Joe and Carmella: Thanks for everything you've
done to make our job less painful!*

*To the staff of the Heights (esp. Christine): It's been
great working with you. Thanks for trusting me to fit
everyone in the pictures and not cut people's heads off!*

*North 101: (Brenda, Christine, Holly, Jenny, Theresa) Each of our
personalities are so distinct, yet I would never describe them as
contradictory, in fact I would say they are complimentary. I've
learned so much by looking at things through your eyes--tolerance,
acceptance, patience, persistence, community, laughter, and
mostly friendship. Thanks for letting me view life through your
lenses, which span a spectrum of colors, to help me see beyond my
narrow field of vision! Thanks for showing me that there is more to
school than work and forgiving me when I forgot! Thanks for
always being there! I'll miss you most! I love you all!*

First of all, I would like to thank my family; I could have never succeeded without you.

To Joe: Thank you for this amazing opportunity. I hope this yearbook makes you proud.

To the boys of South 104: I want to thank you boys for many memorable weekends this year. You have truly helped to make this a great year for me.

To the girls of South 101: You guys mean so much to me. We have been through so much together and for this I will never forget you. I really hope our friendship can surpass the distance.

To North 101(Sabs, Christine, Holly, Jen, T and Jenny L.): I have had the best year and you have all made that possible, so thank you. You have been so supportive and helped me through some very trying times. We have created so many memories that I will hold dear to my heart. I love you all and I will miss you very much.

To Jonny: Thank you for being the strong one and always pushing me to think positive. I owe a lot to you. It's been an incredible year. You're the best.

To the yearbook staff: Well, it has been really fun and now we finally get to see all the hard work pay off.

Finally to the class of 2001: Thank you for all the great times we've shared. I will miss you and I wish you all success.

- T. S. Eliot

These four years have flown by and there are so many people to thank for helping to make my experience at Assumption unforgettable.

To the Yearbook Staff - Brenda, Cheryl, Jess, Kelly, and Sabrina - This book would not be possible without you. Thank you for your effort, your time, and your patience. Also, all the "unofficial helpers" - Thank you for completing the little tasks! It may not have felt important, but all you did is appreciated.

To Joe and Carmella - Thank you for your guidance and for making this job a little easier for us!

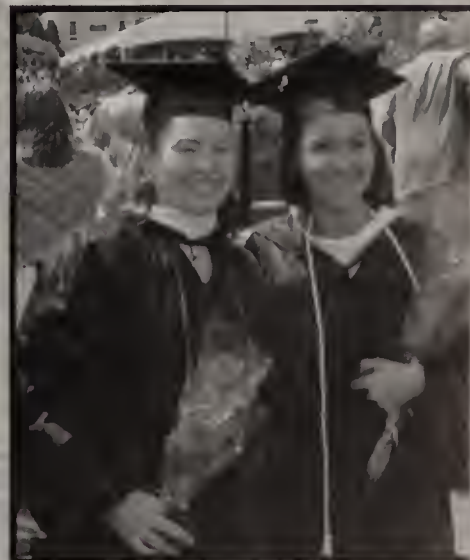

To North 101 (Brenda, Holly, Jenny, Sabrina, and Theresa) - You girls have supported me through the best and worst times this year, and for that, I will be forever grateful. We have made so many memories to cherish. I will never forget them or you!

To All My Friends - my roommates and next door neighbors throughout the years, my lab partners and "science buddies", my coworkers at the ASC - You have all touched my life and have made me a better person because of your friendship. You are what made Assumption fun -- what made me laugh, what got me through the hard classes, and the good and bad times. You are what I will miss the most.

To My Family - Thank you for being the most constant thing in my life. I wish I could explain to you how much that has meant to me.

Congratulations, Class of 2001!!!!
